We all came out to Montreux

On the Lake Geneva shoreline

To make records with a mobile

We didn't have much time

Frank Zappa and the Mothers

Were at the best place around

But some stupid with a flare gun

Burned the place to the ground

Smoke on the water, a fire in the sky

VERSE2

They burned down the gambling house

It died with an awful sound

A funky Claude was running in and out.

Pulling kids out the ground

When it all was over. we had to find another place

But Swiss time was running out, it seemed that we would lose the race.

VERSE3

We ended up at the Grand Hotel It was empty, cold and bare
But with the Rolling truck Stones thing just outside Making our music there
With a few red lights, a few old beds We made a place to sweat
No matter what we get out of this I know, I know we'll never forget

CHORUS

Smoke on the water, a fire in the sky
Smoke on the water
