VERSE 1

Well, I'm a-runnin' down the road tryin' to loosen my load

I got seven women on my mind

Four that wanna own me, two that wanna stone me

One says she's a friend of mine

CHORUS

Take it ea-sy, take it easy

Don't let the sound (ooh) of your own wheels drive you crazy

Lighten up while you still can

Don't even try to understand

Just find a place to make your stand, and take it easy

G G G
