^{Dm} I said won't you, ^{Dm} won't you let me be?
Honey, you're teasing me.
Yeah, you're playing with my heart, dear,
(I believe) you're toying with my affections, honey.
I can't take it no more baby,
And furthermore, I don't intend to.
I'm just hanging from the end of a string, honey,
You expect me fight like a goddamned mule.
Wah, wah, wah, wah, honey...
(fade-out)
